Aarya is a self-motivated child who has already set clear goals for herself. She's a graceful dancer. She is a listening ear and takes every comment positively and works on feedback given to her. She has actively participated in classroom discussions and extra-curricular activities. She has been consistent in taking efforts to bring better results each time. She is fortunate to have parents who support and provide guidance. Continuing the same routine should bring its sugary fruits for her.

Class Teacher's Remark :

Kartik is a confident child. No matter what he does, he is sure of himself. He is a natural artist and it is great seeing his beautiful work. If he is respectful and considerate toward his peers and teacher, it would benefit him in building strong relationships. He understands things when explained individually. He has potential to grow but needs to improve his work and study habits.
