B Answer these question

1. What did Abdul, and Chuskit's parents and grand father say when Chuskit said she felt bad she did not study like her brother and cousins did?

Ans When Chuskit said that she felt bad about not being able to go to school, her grand father was angry and said that she knew very well that she could at home. Abdul said that he understood how felt. Her parents did not say anything.

The Headmaster	The teacher	Chuskit's parent
2. Convinced the teacher to make it possible for Chuskit to attend school	Divided the children into groups and allocated work to each group	Served hot tea and biscuits to people as they worked

2. How did these people help to make the bridge? complete the table!

- 3 Describe in detail how Chuskit's dream of going to school came true.
[Hint: Use the contents of the table in question 2]

Ans Chuskit was able to go to school because of the efforts of Abdul, the Head and the teachers. Abdul spoke to the headmaster, who was able to convince the teachers that they should make a special road from Chuskit's house to the school, so that she could come to school on her wheel chair. The teachers divided the school children into groups to make the road. The Headmaster supervised and the road was made for Chuskit to use.

c Think the answer.

1. Why did Abdul wish to help Chuskit?

Ans Abdul wished to help Chuskit because he understood how keen she was to go to school. Besides, he had read about the fundamental rights of

Citizen to get education and felt that Chuskit should be able to go to school.

2. Why did Chuskit's grand father have tears in his eyes when he saw the bridge being made?

Ans. Chuskit's grand father had tears in his eyes when he saw the bridge being made, because he had got thought it was possible that a bridge would be built for his granddaughter to go to school. He was touched and happy.
