(The Mouse)

Read the story and underline the verbs in '-ed' form.

$$9 \times 1 = 9$$

Manu and Maya were ready to visit their grandfather's farmhouse. They carried a few packets of seeds with them. On the way, they saw many fields and trees and enjoyed the natural beauty.

They were also excited to see the animals in their grandpa's farmhouse. Manu loved the pigs. Oh, they were pink and cute!

Finally, they reached the farmhouse. They walked inside and saw their granny searching for the piglets that had escaped from their sty.

Manu and Maya thought of an idea. They brought the mother pig out and made her cry. Hearing their mom's voice, slowly the piglets started coming from different places, ran into their sty along with their mother. All of them were so relieved and went inside the house.

Classify the following nouns according to their gender in the given table. 12 X 1 = 12

husband

peahen

madam

brother

lion

cow

niece

nephew

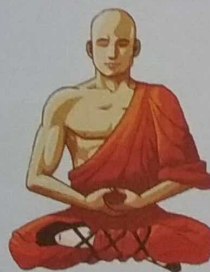

grandfather

mother

monk

nun

Feminine Nouns

Masculine Nouns
