3.6: Missing addend

Understand

Study this example to find the missing addend.

$$2 + \boxed{} = 3 \text{ tomatoes}$$

Hide $\boxed{2}$ tomatoes. How many tomatoes can you see? We can still see $\boxed{1}$ tomato. Hence, $\boxed{1}$ is the missing addend.

Answer: $2 + \boxed{1} = 3$

Do

Find the missing addend by hiding the vegetables equal to the given addend.
