

Great Farmer

Jack had a big farm. He had to plow the fields on Monday and Tuesday. Then he had to put the seeds in the ground on Thursday and Friday. Planting is a big job. Jack loves his job.

Hand Wash

Let me tell you how to wash hands. First turn on the water. Then make sure the water is not too hot or not too cold. Squirt a dab of soap in one hand. Now, rub your hands together until lots of bubbles come. Rinse your hands with water and dry with a towel.

Lovely Season

After a long winter, when all the leaves and trees started to grow back, children got excited to go back to their playgrounds and play. Jack went to play with his mom. Jack smelled the fresh air and he saw a lot of bunnies and butterflies. There were some beautiful flowers near a bench. Jack picked some up and gave it to his mom. Jack's mom smiled and smelled the flowers.

Phone Bell

The phone was ringing for quite long when finally Lucy got up and answered it. It was her grandma who was living in Canada. Lucy talked with her for an hour. She missed her grandma a lot. Then, Lucy went outside to play with her cousin, Isabel who lived next door. The two girls played for a while then Lucy went inside to do her homework.

Little Cat

I got a little cat for my birthday. My mom put her in a small box. I opened the box and smiled. I saw a little brown kitten! She had a pink bow around her neck. She would make sounds if I took her out of her box. She always licked my nose when I took her in my arms. I named her Kathy. We played every day with a ball of yarn. She sleeps with me on my bed every night.
