## A Note from our Coordinator

### "Learning in Early Childhood"

The great Physician and Educator **Maria Montessori** said, " **The hands are the instruments of intelligence. The child needs to manipulate objects and to gain experience by touching and handling.**"

Learning in early childhood (birth to age 6) occurs through various experiences and processes. Children learn through play, exploring their environment with materials, observe, imitate adults and peers for learning new things and different behaviours.

In this age child learn the language by interacting with family, caregivers and peers. Developing language skills through reading, talking and listening enables children to express thoughts and ideas. Child learn by actively engaging with their environment, asking questions and seeking answers.

Child gets sensorial experiences by exploring the world through senses (sight, sound, touch, taste and smell), it helps the child to develop the interest and knowledge. Repetition of activities and practicing new skills reinforces learning and builds confidence.

Forming emotional bonds with caregivers and peers lay the foundation for trust, security and self esteem. Caregivers and teachers provide guidance, support and scaffolding to facilitate learning.

As a adult we (parents as well as teacher) need to remember every child is unique and learns at their own pace and early childhood education should prioritize play - based, child centred approaches to foster a lifelong love for learning!!!

Thank You.

Sumati Joshi  
Kindergarten Coordinator

## A Glance at Learning for the Month : July

**LANGUAGE AND LITERACY:** We learnt /T/t/, /I/i/, /P/p/, /N/n/ sounds and words related to these sounds. **Activities :** We heard story related to the sound, recited Jolly Phonic rhymes. We enjoyed the activities like mystery box, play dough, colouring the letter, solving worksheet, etc..

**NUMERACY:** We explored with Pre-Number Skills - "tall - short, same - different, hard - soft, long - short". We can count, quantify the '1'. We can identify the objects which are in 'circle', 'red and green'. **Activities :** Activities with Geometrical Cabinet, number rod and solving worksheet.

**GENERAL AWARENESS:** We learnt the concepts like 'My Family, My Home, Feelings, Friends and Community Helpers'. Activities : Solving worksheet, Discussion in the Circle Time and Puppet Show etc...

**CREATIVE EXPRESSION:** We coloured the flower, apple and butterfly

**STORIES WE HEARD:** Where is Maisy?, Maisy Bath Time, Mango Tree, Maisy goes to Play Ground.

**MUSIC AND MOVEMENT:** We enjoyed reciting rhymes like : Roses are red, Hickory Dickory Duck, Two Little Dickey Bird etc...

**Motor Skill Activities:** Hopping, running, walk on tip toes and balance beam. Activities with fastening frames Etc...

**MY SPECIAL DAYS FOR THE MONTH:** We participated in 'Tummy Treat Day', 'Blue Day', 'Talent's Day', 'Gurupoornima' and 'Sing Along A Session'.

**MARK YOUR CALENDAR:** 2<sup>nd</sup> Aug – Tummy Treat Day, 5<sup>th</sup> Aug – My Favourite Toy Week, 14<sup>th</sup> Aug – Independence Day Celebration, 19<sup>th</sup> Aug – Rakshabandhan and Friendship Day, 26<sup>th</sup> Aug – Krishna Janmasthami

There is a fabulous photo gallery of mine.
