

## Naming Words – One And More Than One

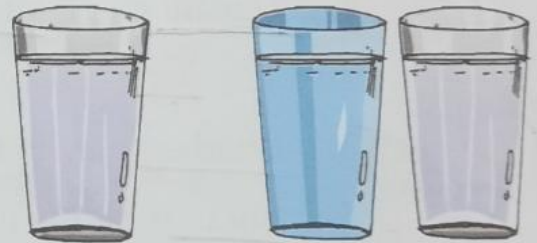

To show more than one thing, we add **-s**, **-es**, **-ies** or **-ves**.

*Examples:*

one boy

three boys

one glass

two glasses

### A. Add **-s** or **-es** to make more than one.

1. pencils

2. classes

3. shoes

4. dogs

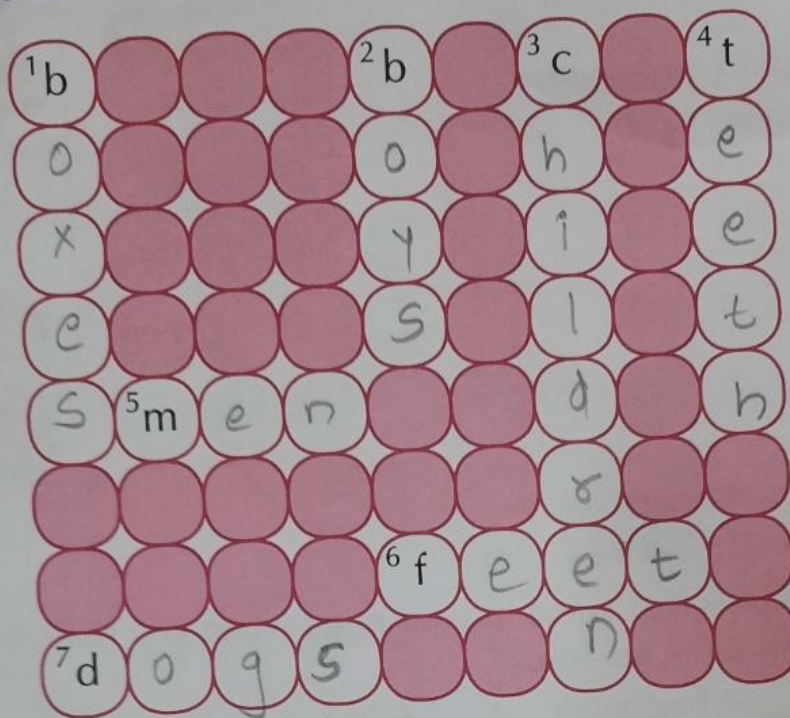

5. horses

6. sandwiches

7. tables

8. boxes

- B. Complete the crossword with (more than one) naming words. Use the clues from the box.

Down

1. more than one box
2. more than one boy
3. more than one child
4. more than one tooth

Across

5. more than one man
6. more than one foot
7. more than one dog

### Naming Words – Male And Female

Naming words tell us whether the person or animal is a female or a male.

**Example:**

cock (male)

hen (female)

Match the male in Column A with its female in Column B.

### Column A

1. uncle
2. bull
3. horse
4. lion
5. peacock

### Column B

- (a) cow
- (b) aunt
- (c) lioness
- (d) peahen
- (e) mare

## LEARN NEW WORDS

Write two words that come to your mind when you read the following words. One is done for you.

- |         |                          |                             |
