The rainy season

There are many three season like winter, summer and season. out of all these seasons my favorite season is rainy season. It starts from the month of June to September.

When we umbrella, raincoats during this seasons every thing in nature looks better thing. It cool and colorful on evening day. It birds and butterflies all around and living with after the wet more fresh to enjoy.

farmers grow crops during this season. ponds and lakes are filled with water but too much of rain can even be harmful for our nature.
