◆ 23rd DECEMBER 2023 ◆

SMART MART- AN ENTREPRENEURIAL VENTURE

TIME- 5.00 pm to 7.30 pm

VENUE- IDEAL SMART SCHOOL, TAKALI

A FAIR ARRANGED BY OUR BUDDING ENTREPRENEURS FOR ALL THE AVID PARENTS

1. In Smart Mart, students from 6th to 9th can participate.
2. As you all know, our aim of arranging smart mart is of educating our students about basic banking processes and entrepreneurship. Students go through the entire process of forming groups, deciding upon their venture, presenting their project in written and the most importantly by facing an interview in front of experts. Not only that they profusely plan their business and present their loan proposal, which after proper scrutiny, is sanctioned to them.
3. Hence, to make them independent entrepreneurs, kindly note that it is not open for participation for any adults i.e. parents or any immediate family members. But surely, Parents can support, help and guide their kids to set up their stall and throughout the process.

4. Students of grade 6th are participating in Smart mart for first time. Hence they won't have loan procedure this year. But they have been through the process of presenting the loan proposal and facing the interview.
5. They need to pay only the rent for tables and table cloth and curtains.
 Rent: 100 rs for 1 table
 180 rs for 2 tables
 275 for 3 tables (tables will come with table cloth and table curtain)
6. Students need to submit the table rent as per their requirement to the class teachers before 20th December.
7. For the students of grades 7th to 9th we are providing loan to students which will include the total amount of rent of stall (Rs300) + amount needed for raw materials to set up a stall.
8. Students will be provided tables and table cloth + table curtain in the rent.
9. So parents need not to pay for anything to students.
10. At the end, the stall rent and the loan amount will be collected from the group and the profit will be distributed amongst the group.
11. Loan amount should be repaid by team leader on 3rd January to their respective class teachers.

? FAQs

2) Who can participate?

✓ all the students of grade 6th to 9th.

2) Who can visit?
