

Assignment - English Pedagogy

Objective: To demonstrate understanding and the application of various English pedagogies discussed in the course

Step-1: Select a topic from the English curriculum according to the level of your class.

Step-2: Select one or more of the following pedagogies:

- Scaffolded Learning Approach
- Play-Way (Activity-Based) Approach
- Inquiry-Based Approach
- Problem-Solving Approach
- Interdisciplinary Approach

Step-3: Design a detailed lesson plan for a 40-minute English class using the chosen pedagogies.

- Your lesson plan should include:
- Clear learning objectives aligned with the chosen pedagogies.
- Clear division of the lesson plan (Teacher's role and Student's role).
- Any materials or prior preparation needed for the lesson.
- Engagement strategies that reflect the chosen pedagogies.
- Check for understanding questions.

Step-4: Now, share the lesson plan with your fellow teachers and make necessary improvements based on their feedback.
