

I Meant to Do My Work

Richard Le Gallienne

Warm-up

There are times when I meant to do my work today, and yet, we feel like playing. What do you think? Share your thoughts with your classmates' answers to find out how much work you can get done on time.

I meant to do my work today,
But a brown bird sang in the apple tree,
And a butterfly flitted across the field,
And all the leaves were calling me.
And the wind went sighing over the land,
Tossing the grasses to and fro,
And a rainbow held out its shining hand—
So what could I do but laugh and go?
