SCIENCE OLYMPIAD FOUNDATION (SOF) (2025-26)

Dear Students and Parents,

With a proud legacy of six years, Angadi International School is entering its seventh year of active participation in the Science Olympiad Foundation (SOF) competitive examinations. These exams have consistently nurtured and challenged our students, encouraging them to unlock their full potential and develop the confidence needed to thrive in today's fast-paced world. Many of our alumni have gone on to achieve top ranks in prestigious exams like JEE, NEET, and NIIT, reflecting the strong academic foundation laid here. Let us continue this journey of excellence—help your child break barriers and step forward with a positive mindset and a spirit of achievement. We are excited to announce the commencement of registrations for the **Science Olympiad Foundation (SOF) Exams** for the **Academic Year 2025-2026** at **Angadi International School**.

These prestigious **competitive exams** provide a powerful platform for students to **enhance logical thinking, analytical skills, and subject knowledge** beyond the classroom. We encourage all students to take part in this enriching experience and challenge themselves to reach new academic heights.

Subjects Offered by SOF:

General Knowledge (IGKO), English (IEO), Science (NSO), Mathematics (IMO),
