

Greetings for the day.

Invitation for “Science Model Making Competition”

Science department of the Angadi International School Belagavi is going to conduct

Science Model Making competition.

Theme: "Tech Revolution: Robotics meet Technology ”

Date: 23/08/2025

Venue: Angadi International School, Belagavi

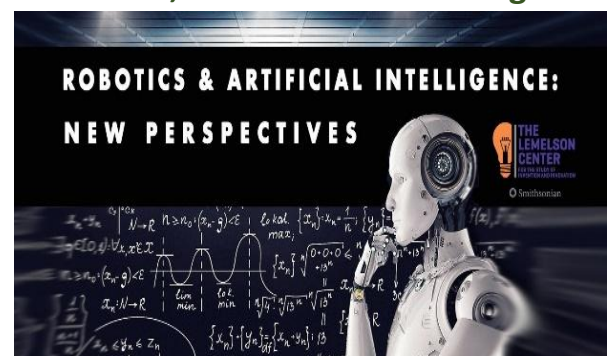

Dear Students,

We cordially invite you to participate in the Science Model Making Competition,

“An exciting event aimed at fostering creativity, innovation, and scientific thinking among students.”

ELIGIBILITY: Students from Grade IX & X

- It's a grade wise competition.
- It's a group competition. Each group should consist of 3-4 students.
- Kindly Ensure that your group has already registered your name for this Competition with your Science teacher.
- Last date to enroll the names is 10th August 2025.

**"Build the Future, Robotics Unleashed, Innovate.
Create, Automate, Crafting Tomorrow's Robots,
Where Imagination Meets Mechanics."**

CRITERIA :

- * **Students should exhibit their model on the day of the competition.**
- * **Readymade models are not allowed.**
- * **Low cost and eco - friendly materials should be used.**
- * **Explanation of the model is must.**
- * **Write ups / Report about the model is must.**
- * **The assessment will be based on the creativity, scientific understanding, functionality, and overall quality of the projects.**
- * **Decision of the judges is final.**
- * **For further information, contact your AI / SCIENCE teacher.**

**** Innovation is seeing what everybody has seen and thinking what nobody has thought****
