**PART - I**

**Q.1.A) Read the passage carefully and answer the following questions. (5M)**

**Our Earth**

We live on the Earth. The Earth is very big. The Earth is almost as round as a ball. It spins every day. It has land, where people and animals live. It also has oceans, where fish and whales live.

A globe is a model of Earth. It looks like the Earth. A globe is also round in shape. The Earth and a globe are of the same shape. We use a globe to learn about the Earth. A globe has pictures of land and water on it, so we can understand where those things are on the Earth. The Earth spins and travels around the Sun. We can make the globe spin too. It is fun to learn about the Earth with the help of a globe.
