

December 14, 2024

Dear Parents of Class 10,

The ICSE Examinations have been declared and the timetable for the same has been sent to you earlier.

The assessed answer scripts of the Prelim exams will be shown to the students and discussed with them on January, 21, 2025. Students will not be permitted to take the answer scripts home. Please ensure that your child is present.

From Thursday, January 16, 2025, onwards, students are encouraged to come to school and study in silence, in preparation for the February 2025 exams. The teachers will assist students who need guidance. Question papers of previous years will be made available for students for practice.

Kindly ensure that all fees for Academic year 2024-2025 (Tuition, Term, Activity, PTA, Laboratory, Computer (if applicable) and Examination fee) have been paid by December 31, 2024.

The students will have a study leave from December 19, 2024 onwards.

Wishing you and your family the peace and joy of Christmas.

Br Dr Thomas Vaz, S.J.
