Manickpur, Vasai (W) - 401 202

April 17, 2025

Dear Parents of Classes 4 to 6,

Please be informed that the school will be registering for the NLF Reading challenge 25. Teams of 3 students comprising students from classes 4 to 6 will participate in this challenge. The school will procure the books and make them available for the students to read them according to the reading schedule. The Book Schedule is available in the attachment.

Each team should have a parent reading mentor to ensure that students follow the schedule. Parents, please volunteer for the same.

The PTA Vice President, Ms. Erica Fernandes and Teacher Venita Fernandes will be the representatives from the school. For further information, you may send me an email titled NLF Reading challenge 25 at xems123@gmail.com by April 24, 2025.
