

St Xavier's English Medium School, ICSE

Dear Parents of Class 10,

The school will be organizing a 4-hour workshop on Cardiopulmonary Resuscitation (CPR) for Grade 10 students. This workshop will be conducted by Amicus Vitae, an organization that empowers humans to save lives by training individuals in vital life-saving areas such as CPR.

Date: 21st June, 2025

Venue: Faber Hall

Time: 08.30 am to 12.30 pm

Fees: Rupees 700/- only

(This amount will be collected by the Class Teachers before 26.04.2025, kindly take a printout and send the consent form and the money along with the child.)

How will this benefit your child?

Life-Saving Skill: Your child will be prepared to respond during emergencies at home, school or in public settings.

Academic and Career Boost: A CPR certificate adds value to college applications, scholarship programs and future leadership opportunities

Confidence and Leadership: Students learn to take charge in emergency situations, make quick decisions and act with empathy.

Community Readiness: Students become responsible citizens who contribute to a safer environment for all.
